

# DUPR<sup>®</sup> RATING SESSION

SEPTEMBER 13 | 6 - 8 PM

This DUPR Rating session is for players who DO NOT have a rating and need one. Unfortunately, we are not able to *update/increase/decrease existing* DUPR ratings at this event.

**It's that time again — ratings!** As our membership continues to grow, quite a few members still haven't been rated, and we've got a wave of new players who now also need to get rated.

The real question isn't *why you haven't been rated...* it's *why we're asking*. Simply put, our goal is to make The Fort the most fun, fair, and dynamic place to play pickleball. That means:

- Making sure there are enough courts each day / night for each skill level
- Designing programming that fits your game
- Give everyone the best possible playing experience by ensuring parity on the court during open play

To do that, we need your help. Please take a few minutes to sign up for our DUPR rating event, get your rating, and jump into the action. It's quick, it's fun, and it helps all of us play better together.

MEMBERS ARE FREE. Only \$20 for non-members. 6-8pm.

Play in level-matched games to get a rating or boost your rating! It's that easy!

Before you come, please download two apps for your rating session: the *myDUPR Coach* app (pink icon) and the *DUPR* app (blue icon). The *myDUPR Coach* app allows us to submit your coach-assigned rating directly into the DUPR system, which is why both are needed. Thanks for taking care of this ahead of time and helping us curate the best pickleball playing experience at the Fort.

Let's go!
